Be cool!

Water, soft drinks, isotonic beverages,... the Artic range of cold beverages stands out for its versatility. It is designed to vend a great variety of products, from 0.33L cans and water bottles up to 1.5L bottles, depending on the type of machine, maintaining the perfect temperature and drinking conditions all the time. The machines equip state-of-the-art vandal-proof measures that include all the technological innovations to guarantee a perfect takeout to maximise profitability.

FEATURES

- Cooling unit with adjustable temperature control.
- Back-lit front advertisement panel.
- Telemetry-fitted: remote product recount reading, sales, incidences and programming option changes.
- Product recount and sales control, as well as RS-232-C data output.
- FIFO (First In First Out) System. Continuous product renewal. Product dispensing according to loading order.

STRUCTURE

- 1.5mm-thick galvanised steel cabinet treated against corrosion and rust.
- EPS thermal insulation system.
- Three-anchor point support plate closing with safety lock and crowbar-proof strip.
- High-capacity cash box.

CREDIT MANAGEMENT

- Innovative Jofemar coin mechanism with connection for both Executive and MDB protocols, five return tubes for up to five different coin values, Jofemar coin validator with the most reliable fraud-prevention systems.

PROGRAMMING

- General on site programming through the machine's keyboard.
- Remote programming and database work through handheld device.
- Telemetry by GSM or GPRS modem using J-Suite.
- Data storage and stock control and accounting.

OPTIONS

- Banknote reader.
- Jofemar J130 card/key reader or any card reader that uses the MDB protocol.
- Different channel kits for non-standard sizes products.

LOADING AND DELIVERY SYSTEMS

- Vertical or zigzag channels.
- Direct channel loading.
- Delivery system with revolving cradle on the base of each channel (AGUA and 272 models).

The ARTIC range of machines allows the maximum storage capacity in vertical or slope channels.

	ARTIC AGUA	ARTIC 272	ARTIC 600
Type of product	1.5L Bottles	0.25-0.5L cans and bottles	0.25-0.5L cans and bottles
Capacity	66 bottles	272 cans	600 cans
